Hmph,

You
Finally feel
like coming
forward?

LOVE MANGA

I'm sorry, Hui Gongja.

I put too much faith
in your capability.

However...

The order
doesn't
matter to
me!!

Is there nothing I can do now...?

I was
planning to
kill everyone
here, anyway!!

I can't drag this on with my injuries...!

So...

I must finish this
in one strike!

!

Chapter 33
Snow White - 14

You
wench...

That was
dangerous...

Just
now...

she dodged
my strike...

As expected...
The difference
in our strength
is too great...

ONE MANGA!

That's
why you did
something
so foolish.

You're
already
wounded...!

...!!

That's why
you tried to
end it so
quickly...!

Ah...

LOVE MANGA

Really...
An ending
like this is
too boring
for me~

stop

Is... this how it ends...?

Uwaa...
That was really
dangerous...!!

I just threw the
needle, hoping it
would hit that
crazy lady...

LOVE MANGA!

I didn't think
I would actually
hit the target.

You...

Who the
hell are
you...!

Your
movements
should've been
cealed by my
needles...

So how are
you moving
right now?!

I saw the needle
you put in her
An-moon point.

Removing that
needle could've
been a fatal move.

But I noticed
it was placed so
that no one would've
been able to pull it
out easily.

However,

thanks
to that

I was able
to prepare
myself against
your needle
techniques.

—11

I placed the same
"internal needles" I
used on Lady Snow
White while I was
healing her.

so that I could
nullify your needle
techniques.

*INTERNAL NEEDLES THAT CAN BE PLACED
INSIDE YOU WHILE YOU ARE BEING ACTIVE.

I was
lucky.

I expected you
you to target my
Chung-Hyeol point.

I can't protect myself against every attack,

so I was really lucky that you only struck the places I was prepared for.

You...

What the hell are you..?!

The Shifting Stance...

and my needle techniques as well...

Just what the hell
are you, and why
are you ruining
my plans?!

LONG MANGA

At first,
I thought it
was just a
coincidence...

But I think
it's time that I
revealed this to
both of you.

?!?

By chance,
I saved
Baek-Daehyup.

In exchange for
saving his life, he
chose to teach me
a high-end skill.

Back then, I had
no talent and I asked
him why would he give
a skill of that caliber
to such an unworthy
person like me.

LONE MANGA!

I'll say it as
many times as
need be.

but only people like you, who are capable of caring for others, are worthy of such a skill.

Actually, it wasn't too long ago that I started thinking this way.

A certain woman was able to help many people through the use of poisonous techniques, which have only been known to cause harm. This fundamentally changed my perspective.

The worth
of a high-end skill
is not based on its
strength, but on how
a person chooses
to use it...!

I learned
that...

from Ma
Young-lan, heir to
the Dokrim Bang.

...!!

LONE MANGA!

Th-

That's not possible...

I was...

always
looking at him
from behind...

But he...

never turned
around to
face me...

It's been a
long time since I
forgot that way
of thinking...

Yes...

Let's see the
strength of the
technique that was
passed down with
my forgotten
ideology...

Let's see the
true strength of a
high-end skill when
it's handed down to
the right person.
"Skill well"

Show

me!

The will
that man

left
behind.

...

Yes.
